

GET TO WORK

Our **vocational support services** give individuals in recovery from mental illness the help they need to find, get, and keep jobs.

Diagnostic evaluations and assessments set goals and expectations

Career exploration helps find the right field and fit

Resume assistance helps clients get noticed and get in the front door

Job coaching helps clients meet and exceed expectations

Ongoing support keeps a good thing going

GET TOGETHER

The **Golden Club** is a day program for people age 50 and older with a psychiatric disability.

Promotes connections

Increases social interaction

Reduces isolation
